

I'm a pro-active and personable graphic designer looking for a new position within a dynamic design environment. I have a particular interest in web design, UX and branding.

Relevant experience

Webfair

Founder/Owner
(Feb 2025 - Present)

Designing, building & maintaining websites on a monthly subscription basis. www.webfair.uk

The Content Emporium

Freelance Senior UI/UX Designer
(Feb 2025 - Present)

Performing UX audits and developing websites for FTSE 100 clients.
Designing/developing the TCE website.

PracticeWeb

Digital Designer
(Oct 2021 - Jan 2025)

Delivering high quality web designs, website builds, logo designs and branding for a large client base of accountancy firms. Working collaboratively with colleagues and clients, this role enhanced my ability to deeply understand a brief and execute well thought through creative solutions.
